## GUIDE INFORMATION FOR USE

### CERTIFICATION

Approved certification body for personal protective equipment(PPE): MIRTA-KONTROL d.o.o.  
Javorinska 3, HR-10040 Zagreb - Dubrava,  
Croatia Notified body 2474  
Test report No. 914-1/21  
Certificate-No: OZO271-CPT007/21

### GLOVE SIZES

The glove sizes correspond to the application.  
The gloves cover the hand and, depending on the cuff length, parts of the forearm.

### STORAGE

The gloves should be stored in their original packaging in a dry, clean place. Avoid exposing them to moisture or high temperatures

### LIABILITY

We accept no liability for damage caused by the non-targeted use of the PPE or by any use that does not comply 100% with the instructions for use given below. Please contact the manufacturer for further information regarding care instructions, repair and safe disposal methods.

### WASH INSTRUCTIONS

The protective gloves BUDDY can not be dry cleaned, washed or treated with bleach.

### DECLARATION OF CONFORMITY

The declaration of conformity for this protective glove can be found at: [www.penkert.com](http://www.penkert.com)

### CLEANING INSTRUCTIONS

Please take the following from the sewn-in identification label

### GENERAL INFORMATION

The results stated in the test report are based on laboratory tests carried out exclusively on unused gloves.  
A transfer of the results to gloves according to Care treatment requires the performance of appropriate tests.  
The glove offers protection against piercing with pointed objects as defined in DIN EN 388:2016, but there is no protection against pointed objects such as hypodermic needles.  
The glove provides some protection in case of accidental contact with chemicals, but it is not a protective glove against chemicals and micro-organisms in the sense of EN ISO 374-1:2016+A1:2018.

### CHECK

An optical check for dirt and damage is essential. Damaged gloves must be discarded. The expiration time depends on the degree of wear, use and area of application.  
The clothing has a shelf life of at least 5 years from the date of manufacture. Non-compliance with the notes/regulations listed in this manual and individual stress during use may reduce the durability of PPE.
